

REVISED CALL FOR POSTERS

The Muddy River Symposium

planned for April 7th has been cancelled. Our speaker will appear in October.

We will host a video-conferenced

Muddy River Poster Session Tuesday, April 14 beginning at 6:30pm.

The Colleges of the Fenway Center for Sustainability and the Environment is soliciting poster presentations by students from all COF schools.

Submit your work! Posters are sought in four broad categories

Sustainability ~ Topics of interest include but are not limited to:

Sustainable design and architecture
Sustainability in the sciences
Energy efficiency and conservation

Environment ~ Topics of interest include but are not limited to:

Climate change
Urban ecology
Environmental remediation

Cultures of Sustainability ~ Topics of interest include but are not limited to:

Social justice and environmental justice
Community partnerships
Activism

Water ~ Topics of interest include but are not limited to:

Rising seas
Water testing and treatment
Water and health

⇒⇒ Please submit a **short (250 word) ABSTRACT** before April 1, 2020 to the Muddy River Poster Session review committee: williamsc6@wit.edu. "Muddy River Poster" must appear in the subject line.

⇒⇒ **Important Dates:**

- Poster Abstracts (250 word limit) due: April 1, 2020
- Final electronic version of poster due: April 10, 2020

⇒⇒ **Abstract Guidelines:**

- Times New Roman, 12 point font, double-spaced, 1 inch margins
- Title should be centered and bolded

Student presenters must be available to answer questions during the event.

Awards will be given at the close.
